INDEPENDENT SLATE SUPPLIES

Where quality comes naturally

Westland Architectural Slate

Westland slate is a dense and a very low maintenance product, making it ideal for an internal and external finish.

Westland slate can be utilised for anything, from sills, hearths, skirtings, copings, internal and external flooring, cladding and work surfaces.

All the Westland architectural slate range are machine cut creating a crisp & contemporary square edge, while retaining a naturally attractive surface. In addition, riven slate offers a "Low Slip Potential," in both wet and dry conditions making it perfect as a floor finish*.

**Reference: HSE – A study of the slip characteristics of natural and manmade stone flooring materials.*

Westland Slate Flooring

Westland Flooring Slate Sizes

10mm thickness (calibrated)	15mm thickness (calibrated)
300 x 300	
400 x 400	
600 x 300	600 x 300
600 x 400	
600 x 600	600 x 600
900 x 600	900 x 600
	900 x 900

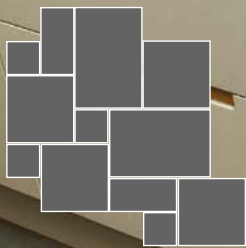

Westland slate flooring is split with a textured finish. Calibrated in 10mm and 15mm thicknesses which makes it an ideal product for both internal and external use.

In addition, it is available in a variety of lengths and widths to suit specific layouts and areas. Westland is extremely hardwearing and durable making it the attractive product for a variety of locations.

The slate flooring should only be laid on a base that is fully capable of supporting the expected flow and weight of traffic without flexing and should be fixed securely across its whole bedding surface.

Westland Flooring Project Packs

Available in Grey Green and Graphite. These Project Packs create an attractive modular pattern. Enhancing patio and paving areas with a tough, durable and attractive finish.

Project packs will vary in thickness between 15 to 20mm. To ease installation, it is helpful to grade the flooring slates before work is commenced. The project packs are pre cut to allow for a 5mm grout line for easy installation.

Modular Pattern

Flooring Pattern Pack Contents

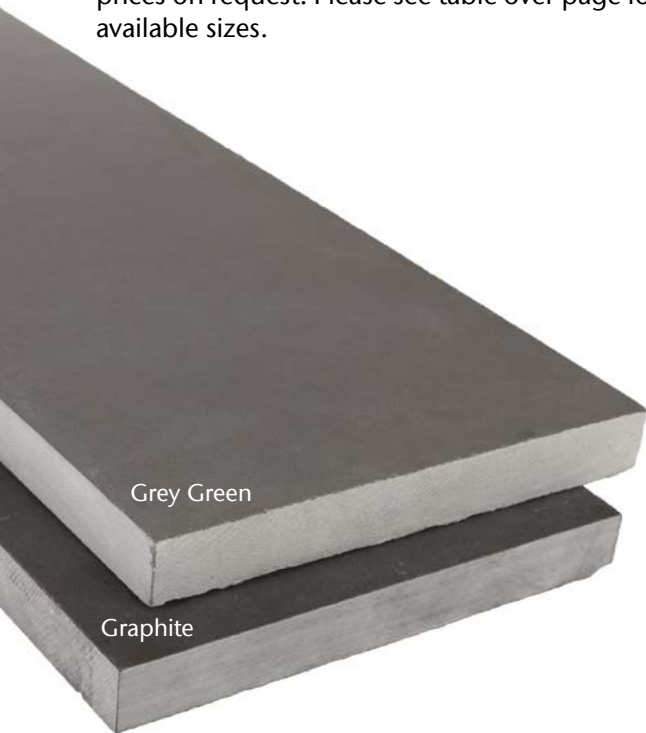

Size (mm)		No of pieces	Thickness (mm)	Coverage (m2)	Coverage (m2)
600	600	24	15-20	8.64	Total excluding grout lines 17.78 m2 Total including grout lines 18 m2
600	295*	35	15-20	6.20	
295	295*	34	15-20	2.96	

*5mm on the sizing is allowed for grout lines.

Westland Slate Sills

Our natural slate sills are always in demand due to the hardwearing, durable and attractive qualities of this product, which can be used inside and out.

We offer an extensive size selection that is available in both Graphite and Grey Green colours. A cutting service is available if required, prices on request. Please see table over page for available sizes.

A low cost, durable option, adding a fantastic look to your home

Westland Coping Stones

Westland Coping Stones add the finishing touch to any paving, cladding & walling design. The standard square edges emphasize the light catching smooth face of the slate. Our Westland coping stones perfectly complement our range of matching patio packs, flooring, cladding and steps.

We offer an extensive size selection that is available in both Graphite and Grey Green colours. A cutting service is available if required, prices on request. Please see table over page for available sizes.

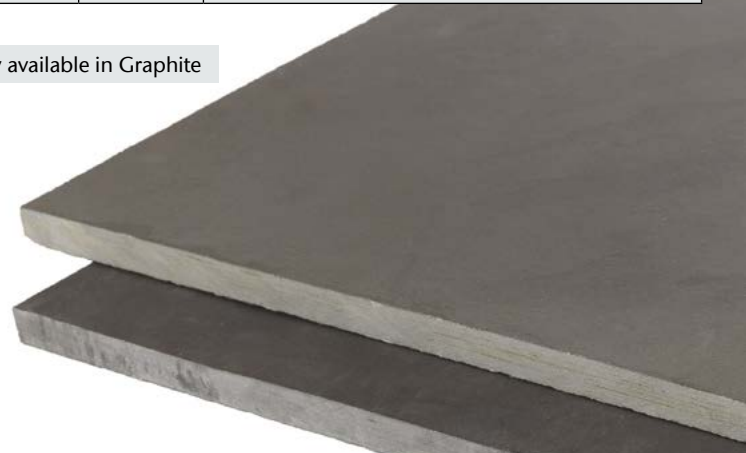

Westland Slate Hearths are available in Graphite and Grey Green in various sizes.

Sizes available for Sills, Hearths, Coping Stones and Worktops. Cutting and finishing service available.

Westland Slate Hearths

Our slate hearths come with cut edges to allow for easy jointing, bevels can be easily created if required.

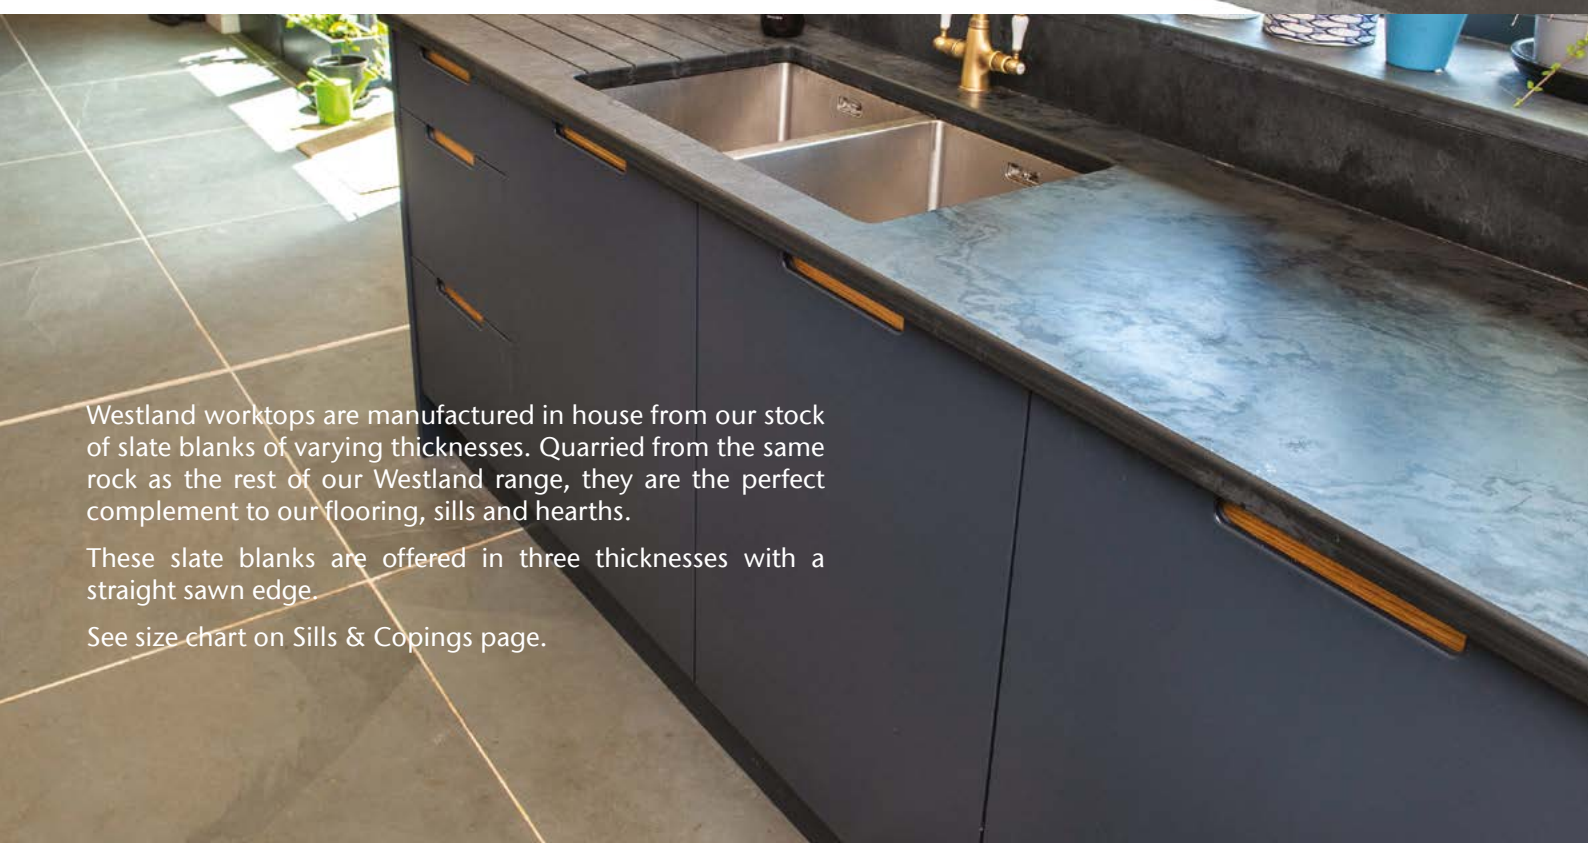

As with all the Westland Slate Range our hearths feature natural tonal variations inherent in the slate, giving innate character.

Westland Slate Worktops

Westland worktops are manufactured in house from our stock of slate blanks of varying thicknesses. Quarried from the same rock as the rest of our Westland range, they are the perfect complement to our flooring, sills and hearths.

These slate blanks are offered in three thicknesses with a straight sawn edge.

See size chart on Sills & Copings page.

Westland Natural Slate Flooring

Westland natural slate flooring is the perfect choice for seamlessly making your outside space a useful and enjoyable part of your home.
